

**Notice to all Monaco America Members:**

During the Monaco America Board Member meeting in Hutchinson, KS, the Board recommended that the Monaco America By-Laws pertaining to what constitutes a quorum for holding a General Meeting be changed to reflect the change in our Rally attendance. The current requirement is for 50 member units. As you know we barely made that count at the last two rallies. The Board recommends the quorum requirement be changed to 25 member units. The Board feels the change is needed to insure that we are able to conduct all necessary business and meet the requirements of being an FMCA chapter.

Therefore this is the member's notice that this proposed change will be discussed and voted upon during a short General Meeting at our Fall Rally this October in Tucson, AZ. There will, also, be a reminder of this vote in the next Newsletter.

Please feel free to contact me or any of the Board Members at any time.

Thank you,  
Gary Granat  
President
